

VIVID audio

C1

Designed with home theatre applications in mind from the start, the C1 is our answer to the crucial centre channel application.

C1

The C1 brings the best of audio to your home theatre

The C1 is a three-way system that provides an exceptionally stable footing. Featuring Vivid Audio's patented driver technology and unique cast carbon fibre loaded polyester enclosures, the C1 centre speaker simply delivers unrivalled pitch perfect vocal presence to the most demanding high-end home cinema setup.
